UUDISTUNUT TOMI SALESVUO

EAST FUNK ATTACK PURSUAA ENERGIAA!

Rumpali Tomi Salesvuon liidaama East Funk Attack uudisti rivinsä kevään aikana. Nyt bändi on kokoonpanossaan valmis ja julkaisee Studio-Live digi-EP:n pe 21.9.2018.

East Funk Attack bändi on nykykokoonpanossa entistä tiivimpi ja laulusolistin paikalla loistaa hurmaava Taru Ratilainen. Ezmi artistinimellä omaa musiikkia julkaisevan Tarun juuret ovat rytmimusiikissa ja nyt oli oivallinen hetki yhdistää voimat Salesvuon 2013 perustaman funkbandin kanssa. Taru muistetaan myös The Voice of Finland ohjelmasta muutaman vuoden takaa ja hän on keikkaillut useiden eri kokoonpanojen kanssa.

Sipoon uudella E-Studiolla taltioidut Studio-Live äänitykset avaavat uuden kokoonpanon yleisölle. Musiikkiesitykset on toteutettu kameroiden edessä LIVEnä. Viime joulukuussa Saksassa kiertänyt Tomi Salesvuo East Funk Attack nähdään kotimaankeikoilla uudessa kokoonpanossa syyskuun lopulla.

THE NEW TOMI SALESVUO

EAST FUNK ATTACK IS BURSTING WITH ENERGY!

East Funk Attack, led by drummer Tomi Salesvuo, has an updated lineup.

The lineup of the group is now complete and East Funk Attack are releasing an in-studio live music video series, one single at a time! The East Funk Attack band is more compact than before, now as a sextet, and features the charming and talented singer, Taru Ratilainen. Taru's roots are in rhythmic music, and she has released her own music under the artist name Ezmi. This was the perfect time for her to join forces with the funk group, which Salesvuo founded in 2013. Taru was seen on The Voice of Finland a few years ago, and she has also performed as a freelance singer with a wide variety of musical acts.

On the heels of a recent tour of Germany, the Tomi Salesvuo East Funk Attack now presents five videos of musical performances of the group. Shot and recorded live at the new E-Studio in Sipoo(FIN), the songs are an introduction of the new line-up to audiences everywhere. East Funk Attack will tour Finland for the first time in September with the new lineup. After the tour, the band will work on new material, which will be recorded from November on and released in the spring of 2019.

Live at E-Studio (Digital-EP) out on FRIDAY 21.9. (Satomusic011/Herbie Martin Music)
